

Easter is upon us!

It has been a busy and eventful half term and now with the lighter nights we can look forward to Spring and the Easter holidays. Comic Relief was great fun last week and we eventually raised £526.77. We have also had great success in sport with our teams competing at County level in Football, Table Tennis and Athletics. With the end of the term, we say farewell and thank you to Mrs Rich - TA, Miss Sinclair - cleaner and Miss Burgess and Mr Watts who continue their training to become teachers at other schools in the summer.

New Website

We have revamped the school website. Do look at it when you have some time as we try to keep it updated with information about the school. You are able to access tweets on the website. Please sign up to our twitter account if you have not yet done so.

Royal Mail Sponsoring the School

Many thanks to Royal Mail who through Mr & Mrs Evans nominated us as their charity recently and donated £100 which will be used in purchasing equipment for our new sensory room which is being developed. We are extremely grateful to parents who nominate their companies to sponsor events at the school.

Spare underwear for KS1 Children

Key Stage 1 would be grateful for any spare socks, tights and underwear for when children have little accidents. If you have been lent any recently please could you wash and return.

English Schools Football Association

South West Regional Finals 2017 - Well done to: Callum Jean, Sam Joce (Capt), Tom Ellis, George Partridge, Finley Davis, Will Oak, Zach Dolbear and Luke Coxon. The team represented Devon in the South West Regional Finals in Keynsham. They did not get through to the knock out stage but played well and gained a lot from the experience.
