

Elburton Primary School

28th May 2021

Number 15

Message from Mr Smithers... After another busy and productive half term, it is lovely to write to you with the sun shining through the window. I hope that everyone has a well deserved break and we look forward to welcoming the children back for a term which I hope will bring a reduction of restrictions both in school and in the wider community.

Klub Kids...We need your help! We are currently exploring the provision at Klub Kids to ensure it caters for all of our parents needs and requirements. We recognise that parents' circumstances have changed over the last 18 months and we would like to offer you the wrap around care that is the most suitable. We are also looking to rename our wraparound care

provision. The children at Klub Kids have thought of some potential names, we would like your opinions please. Please follow this link to our short survey, **this is for all parents, whether your child attends Klub Kids or not.** <https://forms.office.com/Pages/ResponsePage.aspx?id=a35a08a-yU2kIW-joqGChC0DRXPDDiBGi7nJFKsOh8hUMzQyTEIaV01UN0dHMFdLNzc0V1MyTTdWTC4u>

Teacher Vacancy...We currently have a teacher vacancy in KS1, starting in September. More details can be found on the school website under the tab 'Job Vacancies.'

Foundation Teaching Assistants... Miss Brown started her journey at Elburton as a volunteer. Following this she became an apprentice Teaching Assistant before being appointed as a full time member of staff. Miss Brown has developed a passion for supporting children with speech and language needs whilst at EPS. I am delighted to inform you that Miss Brown will continue this passion next year whilst beginning a degree at Manchester University. Miss Brown will be missed by the children and the team. This week, we appointed Mrs Vicki Oldroyd to work as a HLTA in the Foundation Stage team next year. Mrs Oldroyd brings a wealth of experience and expertise and we look forward to working with her.

Classes for Next Year... As mentioned in previous correspondence, we are looking to make fewer changes to classes for next year. This is to ensure the greatest amount of consistency for our children. We are currently considering potential changes to classes. Please contact me directly should you wish to discuss classes further or to give the school any relevant information to inform our decision making.

Sports Days... We are very much hoping to host these events with parents on site to watch. This will depend on the lifting of restrictions on 21st June and of course the weather! More information will follow once we receive updated guidance.

Plymouth Schools Football Trials... Trials will be held at Sherford Vale School throughout June for children currently in Year 4 or Year 5. Parents can nominate their children to attend trials, the deadline for this is 4th June. Please email ethomas@goosewell.plymouth.sch.uk with the following information if you think your child would be interested (child's name, position, current club or academy, left or right footed.)
