**Elburton Primary School's Easter Holiday
Treasure Hunt
Sponsored Challenge**

Friday 2nd April - Monday 19th April 2021

The PTA would like you to join us for some fun during the Easter holidays and also help fundraise for the school. This Treasure Hunt will help get the children out in the fresh air and give them something to focus on given the current situation.

We would like them to collect the following items and ask for support from family and friends to sponsor them whilst doing so. We cannot wait to see you all having fun and there will be opportunities for you to share your photos on our PTA Facebook page, <https://www.facebook.com/elburtonprimaryschoolPTA/>

We will also attach a certificate which you can print and reward your children for their hard work and gratitude for the money they raise as a thank you from us.

The class from each key stage with the most participants, will win a class treat once back to school.
